REPORT

/a	nd Forwarded by D.S.I. Golder.
	The attached which comprises notes on Foreign
	Criminals and Suspects has been prepared in accordance with
	the instructions of the Acting Commissioner dated November 5
	1735.
	In comparison with the information contained in
	the notes forwarded by the Straits Settlement Police the
	attached show in many instances a lack of essential detail,
	que to the fact that the preparation of these notes is an
	innovation.
	Part (1) of these notes when complete will
	comprise information on approximately 100 persons and include
	reference to some 450. To produce a work of informative
	value it will be necessary to prepare notes on some 500 person
	with reference, if the aforementioned ratio is maintained, to
	some 2,000. This would entail about 15 months work at the
	present rate of preparation.

Bahr was aphotographer for seven years prior to 1928. He is now notorious as an international confidence tricker and as an associate of Albert ROSENBAUM, who is known to be connected with the narcotic traffic.

He was arrested in Shanghai on May 22, 1928, and sentenced on June 29, 1928, to one year and six months imprisonment on a charge of False Pretences. The sentence was reduced on appeal to one year's imprisonment. The charge arose out of a

conspiracy with <u>I. Gilbert</u> and a Chinese to swindle Chinese on the pretext of manufacturing currency notes by means of chemicals. Sleight of hand methods were necessarily used. Bahr appears to have practised the trick in different parts of <u>China</u> and locally on many occasions. His victims hesitate to lodge a complaint because of their own fraudulent intentions.

In 1933 at Singapore in company with A. Rosenbaum, Bahr again attempted the trick, but was unsuccessful.

He is at present residing at 745 Dixwell Road and is not known to have any regular occupation. On several occasions during 1935 he travelled to <u>Dairen</u> and on one occasion to Hongkong.

Beaumont arrived in Shanghai on June 14, 1929 from

Vancouver after having been deported from the U.S. A. on grounds

of illegal entry. In Shanghai he associated himself with a

number of business ventures, including the Riverview Golf Club,

the Speedway and with the Velodrome Inc., each of which proved

a financial failure, and he became heavily saudled with debts.

He appeared in the role of editor of the "Shanghai Spectator", a semi-sporting and social paper of scurrilous tendencies, which made its initial appearance in 1931. Many of the articles published were directed against the Shanghai Municipal Council's administrative policy with the ulterior motive of championing his own cause and later his own election campaign as a member of the Shanghai Municipal Council. At the polls on March 26, and 27, 1934 he was soundly defeated.

Beaumont was sentenced in the Belgian Consular Court in 1932 to 10 days imprisonment for defamation of character.

In 1932 he was summoned to the Belgian Consulate-General regarding debts incurred by him all over Shanghai. On numerous occasions he issued cheques without having funds in the bank to meet them.

Beaumont in January 1933 was closely associated with "Jimmy" Llaco, a notorious gamoler and conductor of several secret gambling dens in Shanghai. He was among the persons apprehended by the French Police on January 31, 1935, in a raid on a gambling establishment at 803 Avenue Foch. He was alleged to be one of the principals of the place, but he was released and not charged due to lack of evidence.

A complaint of attempted extortion was filed against Beaumont during 1932 by R.N. Mayer.

Whilst in <u>Paris</u> in 1928 under the name of <u>Israelowicz</u>, he was the instigator of a Fcs.3,000,000 fraud (precious stones, jewels, etc.) on <u>Blumenthal Freres</u>. He left France to escape

Schilling,

There appears to be no report to had covering the arrival here of Catarau, Julian; it is known, however, that prior to 1919 he was an anarchist and swindler. He left Shanghai on October 25, 1919 by the s.s. Yamata Maru for Europe and was next heard of in 1920 at Nice where he was convicted of having stolen a large quantity of jewellery from a low class woman and sentenced to 10 months imprisonment. He returned to Shanghai in June 1923 and was seen on a number of occasions in the company of one Dr. Kindler.

There is every indication that Catarau was in 1924 very anxious to keep on the right side of the Police; to effect this he handed over various bits of information. In April 1924 he made a statement to the Police regarding the smuggling of arms and it is believed brought about the arrest on April 6, 1924 of a German named Schilling, who at that time manager of Frederick's Hotel. Catarau handed to the Police what he avowed to be the plans for wholesale smuggling of arms by a large group,

operating between Peking and Shanghai and claimed that the various consignments on arrival here were landed with the connivance of Customs officers.

On July 28, 1924, Catarau was arrested by the River

Police in the company of A. Caban or Adriano Corban who was found in possession of a pistol and ammunition which he had just removed from the Italian ship "Rosandia". Catarau was handed over to the City Police and charged but was released "not guilty" and immediately admitted to the General Hospital suffering from acute appendicaties.

On September 26, 1918 he was arrested by the French

Consul (Shanghai) on a charge of espionage, but was later released.

On September 28, 1923 he was brought before the Mixed

Court on a charge of assault and battery. The case against him

was however dismissed.

In 1927 Widler, Elly and Crawley, Knight M. (brother of Paul S) perpetrated a swindle in arms amounting to \$73,000 on an agent of General Yang Sun, Tuchun of Szechuen Province. The introduction was effected by A.H. Tessier who at that time was representative of the Yangtsze Rapid Co. Inc. at Chungking.

Crawley left town soon after the final payment was made and took with him the nine year old son of his brother Paul S. who claimed that the boy had been kidnapped, a story that should not be given credence as Paul S. is strongly suspected of complicity in the swindle and not only knew but arranged that Knight should take the boy, in case, he, Paul S, should be arrested. The case against Widler and K.M. Crawley never came to Court.

Paul S. Crawley was again heard of on Wednesday, February 20, 1929, when he advertised in the China Press that he had roulette wheels for sale.

During the foregoing incidents <u>Paul S</u>. was operating the <u>Velvet Ice Cream Co</u>. at No.101 Szechuen Road and residing at various addresses in the Settlement and the French Concession.

Alvarez. Lefuente (or La Fuente). Fournier. Santos. Garcia.

F. Del Valle arrived in Shanghai from Los Angeles in August 1928. Nothing is known of his antecedents. On October 17, 1928 he signed an antedated lease (the date ceing 31.7.28) for 151C Buobling Well hoad, which premises were owned by La Fueute, a very intimate friend of the notorious gambler Carlos Garcia. These premises were also leased to C. Garcia on July 31, 1928.

No.151C Bubbling Well Road was well known as a gambling house conducted by an employee of <u>Garcia</u>, one <u>Alvarez</u>. The place was raided on April 2, 1928. <u>Alvarez</u> was arrested, tried in the <u>Mexican Consular Court</u>, found guilty and fined 500 Pesos.

Undoubtedly the newly arrived <u>Del Valle</u> was the successor of <u>Alvarez</u>, also only an employee and a scapegoat for the real owner <u>Garcia</u>. <u>F. Del Valle</u> lived on the premises, and had his name plate on the door, but <u>Garcia</u> paid the bills for two telephones, supply of electricity and the supply of a large quantity of wines, cigars, cigarettes and eatables. Gambling was conducted on a large scale, three wheels being operated, about 100 or more persons being generally present.

On May 26, 1929 the Police raided 151C Bubbling Well Road and found about 200 gamplers on the premises. F. Del Valle met the Police and informed them that he was the owner of the place.

The whole gambling paraphernalia, wheels, chips, etc. were seized.

As a Mexican citizen F. Del Valle appeared before the Mexican Consul on June 22 and was released on bail. Subsequent successful application by the Police Advocate resulted in the Consul refusing him jurisdiction. On June 27, F. Del Valle was again arrested and taken before the Provisional Court with Garcia, Santos and Fournier. Bail being refused, the defendants were held in custody. During the whole process F. Del Valle maintained his

statement that he was the owner and that <u>Garcia</u> only visited the place occasionally. <u>F. Del Valle</u> was prepared to bear the whole brunt of the charge in order to allow <u>Garcia</u> to evade punishment, undouotedly for a consideration.

On July 5, 1929 <u>F. Del Valle</u> was found guilty and sentenced to one year's imprisonment and fined \$2,000.

1. AGOSTINI, PIERRE.

French subject, born in Indo-China in 1906. Very undesirable character with previous conviction at Saigon. Has been mixed up in very shady business transactions and leaves a trail of unpaid bills wherever he goes. Arrived in Hong Kong from Shanghai by the s.s. "Katori Maru" on 23rd December, 1932 and was met by Police to whom he stated that he was en route to Canton to try and get some information concerning one HARRY GOLDENBERG, his former partner (and for whose arrest warrant has been issued in Hong Kong). He left again for Shanghai by s.s. "Conte Verde" on 1st January, 1933. French Consul in Hong Kong has expressed the opinion that the passport on which AGOSTI'I travels is no longer valid.

2. AKSMAN-GLOTZ, JOHN. (Paras. 12. 52 and 59 of 1934).

Born in 1893 in Rumania, served with the Rumanian Army during the war as a field officer and was a prisoner of war in Russia until 1920. He then proceeded to Shanghai where he was employed as an assistant manager. Married with four children. He arrived in Singapore from Shanghai on 16th June, 1925 and entered the employ of Raffles Hotel as an assistant manager. In 1927 he proceeded to India and later to Ceylon where he issued several worthless cheques. Warrants were issued against him and he absconded to Singapore arriving here in 1930. On 8th October, 1930, he was convicted in Singapore and fined \$200 for breaches of the Aliens Ordinance.

On 12th June, 1931, he was sentenced to one month's R.I. after conviction on a charge of criminal breach of trust, also in Singapore. On 4th April, 1932, he was sentenced to one year's R.I. in Singapore after conviction on several charges of cheating. He was released from jail on 22nd February, 1933, and left for Hong Kong per s.s. "Kulmerland". On 19th March, was 1934, he/ordered to be deported from the Colony by the Hong Kong Police and left for Canton on 21st March, 1934. His wife

is an immate of the General Hospital, Singapore and his four children having been a charge on a local charitable institution for some time.

He is a clever scoundred who should not be permitted to re-enter Malaya. He professes to have a considerable knowledge of undesirable political intrigue but this is merely a ruse adopted by him to endeavour to keep on the right side of the authorities.

The latest report concerning this man is that he left Yunnan Fu on horseback in July 255 travelling in a westerly direction without paying his hotel bill of \$630. The Government of Burma has been notified of his movements.

He arrived in Katho, Upper Burma in September last having travelled overland from Yunnanfu. He was accompanied by M. Sokoloff, a Letvian, who was in possession of a passport No.049628 issued by the Special Delegation at Yunnanfu. Sokoloff was formerly a pilot in the Chinese Air Force. They were both expelled from Burmese territory into Chinese territory. Neither should be allowed to land in the Colony.

3./ALBINSKI, VICTOR. (Para.4/34).

Native of Bosnia, Jugo-Slavia, aged 30 years, holder of Polish Passport No. 32/30, Serial No. 161925, issued by the Polish Legation, Shanghai, on 6th May, 1930, and valid till 1935.

This man left Shanghai at the end of August, 1933, with the intention of making the journey to Poland overland by bicycle. On reaching Changsha he was arrested by the Chinese authorities who cancelled his Chinese visa on the grounds that he had passed through prohibited, i.e., communist territory. He was sent to Canton and after spending some weeks in prison there, was sent to Hong Kong. The fact that the Chinese had cancelled his visa obsessed him and his behaviour necessitated his removal to hospital for observation. Meanwhile, the Polish Minister in Shanghai, with whom he had communicated,

made representations to H.E.M. Consul-General, Shanghai, who cabled saying that Albinski was an honest and harmless individual but weak minded. An expulsion order was made against Albinski who left Hong Kong by road on his bicycle on 5th January, 1934, bound for Poland via China and Indo-China. It is not suspected that this man is undesirable politically but on account of his peculiar mentality is a most difficult character to deal with. He should be made the subject of a report in the event of his passing through Malaya.

4. GEORGES ASSAISSO alias DON JUAN BAEZA alias MOULAY MUSTAFA EL RAISUNI alias DR. M.E. RAISUNI. (Paras. 16, 28/35).

An international swindler with 20 convictions recorded against him for fraud and larceny in Madrid, Paris, Denmark and Northern Africa. His last conviction was at Copenhagen on 20th December, 1933, when he was sentenced to 10 months' imprisonment for theft from a woman's flat. He poses as a palmist and faith healer and commits theft from women whom he visits when "faith healing". He is in possession of a Spanish passport in the name of Don Juan Baeza issued in London on 11th July, 1933. On 26th December, 1934, he arrived in Bombay from Europe and posed as a brother-in-law of Amir Abdul Karim of Riff fame in an endeavour to obtain financial assistance from leading Indian Mohammedan princes. He journied to Calcutta where he got into trouble with the Police over a brawl with a woman and was ordered/leave India. He went to Colombo and sailed for Penang by the s.s. "Antenor" on 14th April, 1935, en route for Manila. He passed through Singepore on 5th May, 1935, and is now in Manila. He should be refused permission to land in Malaya. His photograph is filed in the Detective Branch, Singapore.

He has left Menile and is now in Shanghai.

On arrival at Singapore on 7th February, 1934, the captain of s.s. "Ouderkirk" found that he would have to call at Manila, and telling Bumba that he could take him no further as he feared trouble with the Manila Police, told him to go ashore. \(\delta(3)\) OGLI, LOLA.

Curylo, accompanied by his wife, arrived in Singapore by the s.s. "Haruna Maru" on 7th February, 1934, from Hong Kong. He was in possession of a Polish passport issued in Shanghai, and described himself as a merchant.

Komlenko, accompanied by his wife arrived in Singapore by the same vessel and also from Hong Kong. He was in possession of a Chinese passport issued in Shanghai and described himself as a marchant.

Curylo and Komlenko, together with Ribiero (page 31) and V.A. Ogli (P.J. para. 73/33) had arrived together in Hong Kong from Shanghai on 16th November, 1933. Ogli proceeded direct to Bangkok as he had previously been refused permission to land in Malaya. The remainder came on to Singapore as stated. In Shanghai Curylo was in partnership with Komlenko in the "Black Eyes" Restaurant of 774, Avenue Joffre, and of doubtful reputation. In Singapore they stayed at the Adelphi Hotel, then moved to the Metropole Hotel and arc now staying at a Chinese Hotel in Beach Road. Komlenko approached a well known local Chinese shortly after his arrival and stated that he was in possession of a secret process for manufacturing counterfeit currency notes by chemical means. He wanted the Chinese to put up a sum of \$50,000 as capital and guaranteed that the money would be doubled within a short space of time. It is quite apparent that he was attempting a clever confidence trick and the whole gang is extremely undesirable. Further enquiries

are being made regarding them.

Vladislav Peter Curylo and Vassili John Komlenko, accompanied by their families, left Singapore by train for Penang on 22nd April, 1934. Mrs. Ogli, wife of Ogli who was convicted in Penang in 1933 for entering the Colony without a valid passport, was also in their party. A discreet report on their movements is requested.

Vladislav Peter Curylo, Vassili John Komlenko and Lola Ogli arrived in Kuala Lumpur from Singapore on 1st May, 1934, and proceeded to reside at the Yashmoya Hotel, 163, Batu Road. Nos. 2 and 3 left Kuala Lumpur on 2nd May, 1934, ostensibly for Scremban but did not arrive there. On 4th May, 1934, they returned to Kuala Lumpur and when interviewed stated they had got out of the train near Seremban and went off by a hired car to inspect rubber estates with a view to purchase. They were unable to say what estates were visited and their conduct appeared highly suspicious. They then stated they were contemplating taking over the Victoria Bakery, Kuala Lumpur, as a going concern. This apparently fell through and they all left for Penang on 10th May, 1934. They are obviously a shady lot and require careful surveillance.

The above named are now resident in Penang awaiting permission to proceed to British India. A watch is being kept on their movements but nothing suspicious has been noted up to the present.

Curylo, P.V. and family left for Hong Kong by s.s. "Katori Maru" on the 26th February, 1935.

Komlenko, V.J. left for Hong Kong by s.s. "Hong Peng" on 7th February, 1935.

and in Harbin the Hotel Moderne. He returned to Singapore as stated on 17th May, 1934, to sell more maps and books. Although there is nothing criminal against him, his movements have been extremely suspicious, and he should be made the subject of a discreet report if encountered.

He proceeded to the Federated Malay States for the purpose of selling maps and returned to Singapore from Kuala Lumpur on 21st June, 1934. He is staying at the Grosvenor Hotel. Recently Hong Kong Police received an enquiry from the British Consul-General, Shanghai, which had originated from some Russian

residents of Shanghai, regarding a rumour which they had heard about a Russian woman named Astrova said to be undergoing a ten years prison sentence in Hong Kong. There is no such prisoner in Hong Kong, and it is suspected that the person for whom the Russians are enquiring is the woman who accompanied Lapin to South America. If such is the case it is possible that Lapin has disposed of her there and has started the rumour that she is in Hong Kong prison to account for her disappearance. Enquiries are being made. He should not be allowed to land in the Colony.

On 18th September, 1934, the s.s. of Polish netionality, was sentenced on 24th April, 1934, to 6 months hard labour in Hong Kong for being in possession of a forged French passport. He is a shop lifter by profession. His presence in Hong Kong was unknown and his arrest was only effected as a result of a clever piece of work on the part of a Russian detective. He stated that he had purchased the forged passport from a Jew in Tientsin for the sum of \$80. Fortunately, forgeries of this kind are rare and this is the first case which has come to light during recent years, but in view of the apparent existence of such forgeries from North China, passport examination officers should take special precautions when dealing with aliens whose bona fides are doubtful.

On 23rd February, 1934 the Hong Kong Police obtained an expulsion order against him for a breach of the Passport Ordinance and arrangements are being made to send him back to the U.S.A. Tanner was recently prosecuted in Hong Kong for obtaining money by false pretences but the case was discharged. He has incurred many debts in Hong Kong. Information has been received from the Police Dept.
Wellington, New Zealand to the effect that Vickers has
been returned to New Zealand and that no further action is
necessary. Should Kelly be located in Malaya a report to
the Detective Branch, Singapore is requested.

He stated that he had come to Hong Kong in order to try out a roulette "system" at the Shum Chun (Chinese territory) gaming houses. This

was to some extent borne out by a mass of mathematical calculations found in his property. Nothing else of any importance was found. Widler was arrested and ordered to quit Hong Kong by 25th February, 1934, with the alternative of having deportation proceedings taken against him. left for Canton on that date but passed through Hong Kong again en route to Shanghai in the s.s. "Soochow" on 28th February, 1934. After his departure, it came to the knowledge of the Police, that Widler whilst in Hong Kong had inserted advertisements in the local press seeking women for employment in an office or as governesses. Two ladies who answered these advertisements and whose cases came to the knowledge of this department were extremely suspicious of Widler's real intentions. He is an associate of Julius Serbousek (page 32).

It has now been ascertained that the above named was sentenced to 3 months' R.I. in Shanghai in 1927 for uttering forged documents. In 1928 he was arrested on a charge highway robbery but was discharged. In 1933 he was fined \$30 for keeping a common gaming house. He is endeavouring to seek permission to enter Hong Kong or Malaya, but such permission should not be granted.

REPO ...

Subject Filipino Club at 258 Range Road.

Made by D.S. Kourjansky. Forwarded by N. Medwedell & S

I beg to report that on a recent visit of foreign lodging houses on Range Road, I noticed a "Room to let" signboard on the

front wall of premises No. 258 Range Road.

The occupants did not apply for licence for operating the

premises in question as a Foreign Lodging house, therefore, I

interviewed the former when the following was ascertained:-

The above house has been rented on May 16, 1937 by a

Filipino named Mr. Jesus Y. Iglesias, aged 32, on behalf of the Filipino Club known under the name of "Lipunang Filipino" of which

he is the secretary.

The club is headed by a president named Mr. A.Y. Celis and consits of 42 members at present. According to the rules; of the

club, 85 3 of the members must be of the Filipino nationality and the remainder, Chinese, Spanish, and Americans.

The club, it is stated, was organised for the purpose of

social entertainments and it is understood, that "Mah Jong" and "Bridge" parties will be arranged for the members from time to

time.

Mr. Iglesias stated that practically all the premises are

occupied by the club with the exception of two attic rooms which

they intend to let. According to Mr. Iglesias, application for permission for the club was recently submitted by them to the

U.B.A. Consulate General. I pointed out to Mr. Iglesias that since they have two

coms to let and that there is a possibility that in future they

may change their mind and have a larger number of rooms to let,

application to the S.M.C. on their part for licence for Foreign Lodging house would be necessary to which he replied that he will

take the matter up with the committee. D. C. (Special Branch)

REPORT

C.S.6, Special Branch Sunbag 3

Particular	of Hotels and	Lodging House	called for by
Japanese C	onsular Police	Report.	
			Japanese Consular Police Report.

Made by D.S.I. Golder.

Reference to attached memo, dated February 25, 1937, from D. C. (Japanese), relative to the compilation of data on Hotels and Lodging Houses, I have to report that its submission has been delayed owing to the inability of the Revenue Department to help.

of the Hotels, 27 are operated by Chinese; a few such as the Park Hotel, etc., being of very high class, whilst 9 are operated by foreigners.

In the category of premises listed as Lodging Houses

(Foreign) very few are now operated by foreign capital, it is,
however, usual for the Chinese owners to employ foreign
manageresses.

No distinction as to class is made, the licence fee

being general at \$8.00 per half year.

In the matter of Chinese lodging houses the licences are issued according to size, or number of rooms, but again no distinction is made.

The term "Boarding House" is not at present used by the S.M.C. in reference to the issuance of liceness.

THE NORTH-CHINA DAILY NEWS, THURSDAY, NOVEMBER 28, 1935

LEGAL DEFINITION OF HOTEL SOUGHT

The word "hotel" should be properly defined and bons fide establishments certificated by the Government, said Sir Henry Kimber, chairman of the Country Committee of the Hotels and Restaurants Association, in a speech at the Wine and Food Conference at Bath.

He was anxious to see some restriction put upon the word "hotel." Many attempts had been made, without success, to find a satisfactory definition. Hotels, especially the smaller, ones, suffered a great deal from the very unfair use of the word, and some steps should be taken to stop it.

An effective method could be found

An effective method could be found by empowering a Government department to issue a certificate to every establishment that could satisfy it that it was a bona fide hotel, and by making it illegal for anyone without the certificate to call his house a hotel.

REPORT ON Attached.

Made by Doubling Forwarded by Mackengil of 9.

Sir.

Ret the remarks of the A.C.F. (Drime), there is no gambling carried on on any of the cafes in this district.

The licence conditions are strictly adhered to, and are punctual at closing time.

The "black Cat" and the "Y.F.S." are the only two cafes in this district, where foreign "floor masters" are employed: viz. Gentze (Russian) at the Y.F.S. and Ziffka (Czechoslovakiak) at the "Black Cat".

Sin. I beg to forward the following as the result of my investigations on the attached enquiry.

Del Monte Cale. to gambling is known to be conducted on the framises, although owing to the locality of the case and to the large amount of spare rooms in the upstation portion of the premises, there may be occasional nights when private gambling is indulged in by a fen of the partions. No immoral conduct is conducted on the premises as the class of "Dancing Partners employed there is of a type superior to those employed in other cases. Many of them havever are kept by foreigners of the wealthies class in Shanghdi, while not a few of hem work to keep their families. In. F. to his kept women, who disposed of it to her manager and paramon & Bartels, a German citizent. Bartels then carried on The business and allowed it to develope into a low class dancing saloon, which was largely patronized by British and American soldiers and sailors. Fight between the members of the above nationalities was a common occurance and on several occasions the premises were placed " Out of Bounds to British and american troops. The domeine girls, employed in this cafe at that time were nearly all prostitutes, and while no actual prostitution was ever committed on the premises arrangements were made by visitors to the case, whereby they met the girls on their leaving the presulses and escorted them to their homes, chiefly in Covernue Toffre for the purpose of sexual intercourse It is not known that gambling was ever permitted on the premises. Recently the premises were disposed of to Jimmy Jackes, an American citizen and proprietor of the several places in Stranghai, known as Gimmy's Kitchen Bartels was retained by J. REPORT

Date April 5, 10 41

Subject Reported Unlawful Activities in Foreign Longing House No. 2, Lane 1025, (Hwa Fee Avenue), Bubbling Well Boad.

Made by D.S. Mischenko, Forwarded by C.D.I. Tabrum.

I have to report that whilst inspecting House No. 2, Lane 1025, Buobling Weil Road, Mrs. C.I. ZRITNEFF, the licensee of the house, informed me that she suspects the occupant of Room No.2, a Kolean, registered under the name of Li Sz Ying, 30 years old, Sent merchant, of cealing in narcotics.

According to Mrs. C. I. Zritneff and ner adult son Mr. Victor Zritneff, the said Korean is visited daily by a large number of Orientals - also suspicious looking characters; the visitors using the front gate leading directly into the room of the Korean tenant who is living in the room together with his wife and two children and employs one female Chinese servant.

It is reported that the said Korean although unemployed appears to be quite prosperous at present. The rent for the room is paid regularly and there is mo evidence to show that Mrs. C. I. Zritheff imparted the information with a view to get rid of the tenant in brder to obtain a higher rent for the room.
